# INTRODUCTION

❑ Stephen and Victoria Lwanga Lukwago, started the programme in 1995, which over 15 years ago.

❑ The programme looks after disadvantaged children, Orphans, and their families.

❑ Target areas; Mityana, Mubende and Kiboga,

❑ The programme, raise funds, from donations (in form of money, things like clothes, books, shoes, pens etc.) especially from friends abroad,

# **PROBLEM STATEMENT**

The number of disadvantaged children, and orphans accumulate on daily basis, as a result of the following;

1. Death of parents, due to HIV AIDS and Malaria
2. Careless parents abandon, their children
3. Early marriages

# VISION

1. Provide a minimum qualification of education, a fair standard of living at home, and to generate different ideas for more support to these children and their families.
2. Offer practical skills to the children, through skills development in carpentry, brick making and laying, plumbing, welding, animal and crop husbandry among others, which in the end help the children to survive by themselves.

# ACHIEVEMENTS

1. The programme, has educated over 100 children to a level, of secondary, tertiary institutions, and university
2. We have a primary school with over 150 children.
3. Boarding section with over 60 children, solar power energy, and piped water.
4. The programme has a guest house and tour safaris as part of its sustainability projects

**Uganda is not all bad news but supports some of the best wild life in Africa.**

**The scenery was lush like England but the animals a little more serious ....; elephants, hippos and buffalo!**
