(A)plikace

5. Today we have available to us the Scriptures, however there are still different interpretations of many parts of scripture. In this case the Jews and Jesus had different interpretations of the Law. How do you live according to the Bible? Do you live more according to the letter of the Law or the Spirit of the Law? Can you give concrete examples?

6. What specifically can help lead people in our country today to faith in Jesus as the Son of God? Miracles? Proof? Logical arguments? Relationships? What are your experiences?
